**SAUDI CABLE COMPANY CHAIRMAN WAITING FOR A POWER PLANT  
CONSTRUCTION, INVESTMENT VALUE OF 1 BILLION DOLLAR**

Saudi cable company chairman is complaining about red-tape in turkey and still waiting for a power plant construction, investment value of 1 billion dollar. The most interesting name was Khalid Alireza, who is in turkey for more than 20 years and obtained a life time successful award for his services to turkey. He told that turgut özal had invited them to turkey for doing business. Saudi cable company has purchased demýrer, mass and kavel cable companies and after the progress, these companies make export to 54 countries.
